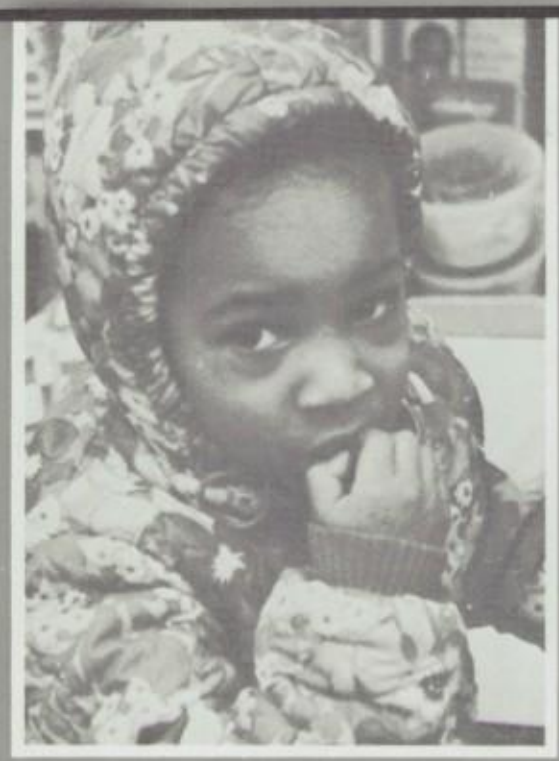
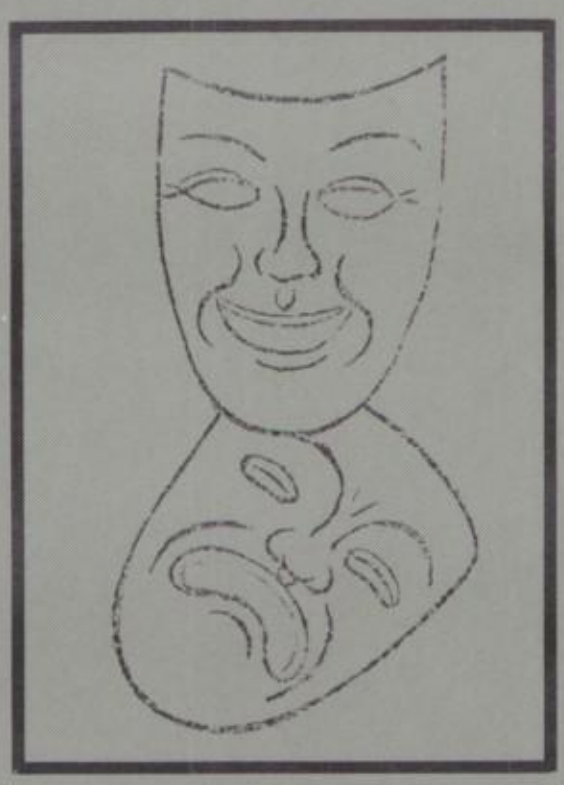
All the world's a stage,
And all the men and women merely players:
They have their exits and their entrances;
And one man in his time plays many parts,
His acts being seven ages. At first the infant,
Mewling and puking in the nurse's arms.
And then the whining school-boy, with his satchel.
And shining morning face, creeping like snail
Unwillingly to school. And then the lover,
Sighing like furnace, with a woful ballad
Made to his mistress' eyebrow. Then a soldier,
Full of strange oaths, and bearded like the pard,
Jealous in honour, sudden and quick in quarrel,
Seeking the bubble reputation
Even in the cannon's mouth. And then the justice,
In fair round belly with good capon lin'd,
With eyes severe, and beard of formal cut,
Full of wise saws and modern instances;
And so he plays his part. The sixth age shifts
Into the lean and slipper'd pantaloon,
With spectacles on nose and pouch on side,
His youthful hose well sav'd, a world too wide
For his shrunk shank; and his big manly voice,
Turning again toward childish treble, pipes
And whistles in his sound. Last scene of all,
That ends this strange eventful history,
Is second childishness and mere oblivion,
Sans teeth, sans eyes, sans taste, sans everything.

-Shakespeare
As You Like It
Act II, Scene VII





ARMY

In this 1978 Beloiter we have taken our cue from the immortal bard, William Shakespeare, who, almost four hundred years ago, said, "All the world's a stage, and all the men and women merely players ... We have pictured our school this year as a gigantic stage, and our high school careers make up the background for the exciting drama which will soon be staged. We, the students, are the actors, and our parents the spectators that watch us perform, those for which we all try to do our best. Our teachers and principals, the directors, guiding us and showing us the best way to play our important role in life, to keep it running smoothly and efficiently. Our clubs and sports and various other activities are merely a part of the dress rehearsal. These all help to prepare us for the opening day, the premiere on graduation day, when all the rehearsing ends, and we are standing in the wings with butterflies in our stomachs, waiting patiently to step out and fullfill our role on the stage of life.

Football

The Knights started out on the right tune with a victory over Racine Park but as the season went on, the Knights waltzed farther and farther out of step losing all six conference games. The result was rather dismal: a season of one win and six losses which gave them a firm foothole of the cellar.

After the season, head coach Heineke said this about the team and the season: "as far as wins and losses go, all the kids gave an all out effort throughout the season. The team was young, with 21 letters going to underclassmen, which was the most ever given out in any one season. The kids in general did a great job in maintaining their composure and also kept a positive attitude in a very frustrating season." With so many people returning next year and with this experience, the Knights should be amongst the middle of the pack in the conference next season.

The Womens Varsity Volleyball team finished its season with a 1-13 record. Junior Varsity ended with 0-14.

Despite the season record Coach Madelon Schar felt this years team was the best group of girls she had ever coached. "They really made the season enjoyable."

The team voted senior Pam Licary as the Most Valuable Player for the year.

Pam Everson and Nancy Schumacher earned the right to compete at state in the doubles competition. After gaining a bye in the first round, they won their second round of play. In the third round they were defeated by Nicolet who went on to become the state champs.

Junior Nancy Schumacher was chosen as the Most Valuable player for the season.

Cross Country

The Cross country won some exciting meets this year. They even beat Parker in a close match-previous to this occasion the Knights had never defeated Parker. The team was strong and had good balance throughout the year. The #1 and #2 runners exchanged positions during the season. An old bug-a-boo, injuries pestered the Knights once again this year-they limited the number of victories to 3 while the Knights lost 4 times. Jim Oldfield, our #1 runner, dropped to #2 after a foot injury putting the #2 runner Tim Dolan to the first spot. The team lost the services of Rick Nelson early in the season thanks to a hip injury.

Next year's prospects look bleak being as the team is losing 6 of its top 8 men due to graduation and rumors of another moving at the end of the academic year. The team finished tied for 4th this year in the conference. Next year this may be a tremendous feat to accomplish. It will probably be a rebuilding year but we will have returning from varsity Tim Dolan (soph.), John Klett (jr.), and Derek Klett (soph.).

ROW 1; Coach Kramer, Tim Dolan, Ricky Nelson, Shari Rampenthal, Derek Klett, Jim Bushell, David Kipp. Row 2; Jeff Kopp, Dan Wallace, Chris Ellis,

Wisconsin State Tournament

Basketball

The Purple Knights have had a great season, boasting a 15-5 record, second place in the conference, a regional win over Janesville Craig (who at the time was 19-0 and tied for first in the state), and a sectional championship which earned them a trip to the State Tournament. The team has received consistently super efforts from Tony Carr, the team's leading scorer (second in the Big 8), Bob Grady, the team's leading rebounder and number two scorer (third in conference scoring), and Jeff Frietag (in the top ten in assists), the playmaker. At the beginning of the season, the Knights relied heavily on these three men, but soon found out that three vs five does not work as well as five on five. The Knights record slipped from 13-2 to 13-5 when they tried to play three man ball, they abruptly changed this and won two regional games with team efforts.

At the state tournament in Madison the Knights rather easily disposed of Big Eight rival Madison West in the first game 77-64. In the semi-finals Wisconsin Rapids put up a tough fight before the Knights finally triumphed 55-53 on the strength of two Tony Carr free throws in the last seconds. The stage was set for the finals - Beloit vs Neenah. The Knights jumped out to a 31-13 lead but Neenah slowly caught up and won going away 58-49. For their effort the Knights took home the second place trophy. Bob Grady, Tony Carr and Jeff Freitag were named to the all tournament team.

ROW 1; Jim Hass, Harvey McKinney, Jeff Freitag, Tom Clarke, Dan Davis, Dan Summers, Bill Toles, Derek Evans, David Bell, Kirk Bradford, Don Gile.

2. Beloit, with the help of Bob Grady, rules the sky.
3. Mike Vance knows how to put it in the basket.
4. Sparkplug Jeff Freitag scrambles for a loose ball.

Swimming

The Boys' Swimming team did not have the team it had in the past three years. Its' goal was second in the conference, but they did not accomplish this as they were fourth. The team finished the season with a 3-3 conference record; while the Purple Tide had only a mediocre regular season, they swam well and finished third in the Big Eight conference swim meet. The team produced the diving champion (Bill Saxon). Dave Achtemier placed second in two other events. Dave Achtemeier, Randy Mikkelson, Jeff Castle, and Bill Saxon turned in outstanding performances throughout the season and will be missed next year, for they are all seniors. Chris Brown, who has a great season also, will become the team leader next year.

ROW 1; Mark Fairbert, Alan Englebretson, David Reboussin, Mark Marko, Dan Hopper, Dave Achtemeier, Paul Scholton, Brad Bender, John Korst, Tim Lawver, Tom Jessen. ROW 2; Jeff Castle, Chuck Johnson, Mike Waite,

1. Swimmers psyche themselves for the start of the race.
2. Between their events Knights swimmers rest and watch the competition.
3. Bill Saxon flies off the meter board.

Wrestling

The Knihjts wrestling team was young and has room for improvement. Even though the squad was young and inexperienced, they were of a ripe age for giving an all out effort. This all out effort was what led them to a fourth place finish in the Big Eight conference and a strong showing in every match. They even produced a conference champion in the 185 pound weight class, Steve Elliot. They will have many team members returning, and should have a good season with another year of experience under their belt.

ROW 1; Calvin Kasel, Arlo Hartly, George Garrett, Rich Bundy, Scott Monk, Fred Gahl, Charles Carodine, Wayne Olsen, Keith Hoekman. ROW 2; Chris Ellis, Jaren Klett, Pete Qui, Paul Mack, Ted Wen, Alan McCauley, Andy Miedema, Steve Elliot,

This years Knight Tumblers had a very successful season. An overall record of 11-2 shows the Knights ability, with the losses coming with a narrow margin of points.

Outstanding performances were contributed this year by senior Sue Hulbert and freshman Annete Calude.

Wisconsin State Tournament

Basketball

The Girls Basketball team, coached by Mr. Richgels and asst coach Ms Vest, finished the regular season of play with a 15-7 record. This gave them a 4th place finish in the Big Eight Conference. The girls earned a shot at the state championship by taking both regionals and sectionals.

In the quarter finals at state Beloit defeated Wausau by a score of 57-50. Next they may LaFollete, the Big Eight Conference Champs, who had already defeated Beloit 2 times during the regular season. The Knights pulled an upset over the Lancers in overtime on a free-throw by Deb Heany, with 5 second left, making the score 47-46. In the finals Beloit put up a good fight, but fell to the girls from Neenah.

Hockey

This hockey season proved to be the most exciting and enjoyable season both for the fans and the players in our short 5 years of Varsity Hockey. By far this was the finest hockey team to wear the purple and white of Beloit Memorial High School. This point was proven with the best win-loose record in the school history! Equally exciting is the fact that everyone will be returning next year except for two seniors. Included in those returning are Tom Merchant, this years MVP, and recipient of the Mr. Hustle Award and the team captain for 1978-79. Mark Edwards, this years leading scorer and alternate captain for 1978-79. Also Johnny maurerman, our freshman goalie will of course, be back. Johnny plays in every period of every game, and had 560 saves this year. There are many others returning as well from the 1977-78 team that NEVER quit playing hockey until the final horn was sounded. The highlight of this year was when we tied Janesville Craig with one second left in the game after they had taken the lead with only 14 seconds left in the game.

Its been a super season and a great year, with all the returning players. Coach Welsing can't wait for next year!

Stage I

The juniors are usually the understudies compared to the seniors who seem to always have the leading roles. Even so, this year the juniors made it their business to outshine the seniors, and they won the honor to be the true knights in shining armor. This year was the first stage of showing the world that the class of "79" should long be remembered.

Junior class officers: Lori Jacobs, Teresa Robertson, Laurie Andreoni, and Amy Hines.

Starring the class of '78'

In the play "Highschool Days", the final act draws to a close as the seniors remember all the hard work that went into producing it. For many, it was a long hard struggle; but, the memories also involve the times shared with friends that made the struggle easier. After graduation, a new play will begin, with a new setting and new faces! At times the roles may be difficult but the opportunity for stardom is always there!

2. The Catholic influence is heavy on public schools.
3. Unlike at BHS-MC, the students at Atenas High School take a great interest in their student council elections.
4. After school, a boy gives his sister a ride on a fallen palm leaf in the park.
5. Students at Atenas High School have 10 minutes between classes to relax in the open air.
6. Costa Ricans learn soccer at an early age, instead of football or basketball.

High school Costa Rican style

How would you like to start school at 7:00 A.M., wear a navy blue uniform, and stand up to recite a prayer when your teacher walks in? That's what you would do if you were a high school student in Costa Rica. Sound bad? According to Holly Dunagan, AFS returnee, it's great.

It's the life in the tropics, and the 7:00 A.M. first hour is made up for by a 1 ½ hour long lunch, eaten in the park under a palm tree. The school is open campus and the weather is beautiful all year long. You might get out of class to weed the school garden, or to attend a student body Catholic Mass. You might follow your soccer or volleyball team to the national tournament.

High school life in Costa Rica has some restrictions and privelages lacking at Memorial Campus, but to live it for a year is a great experience.

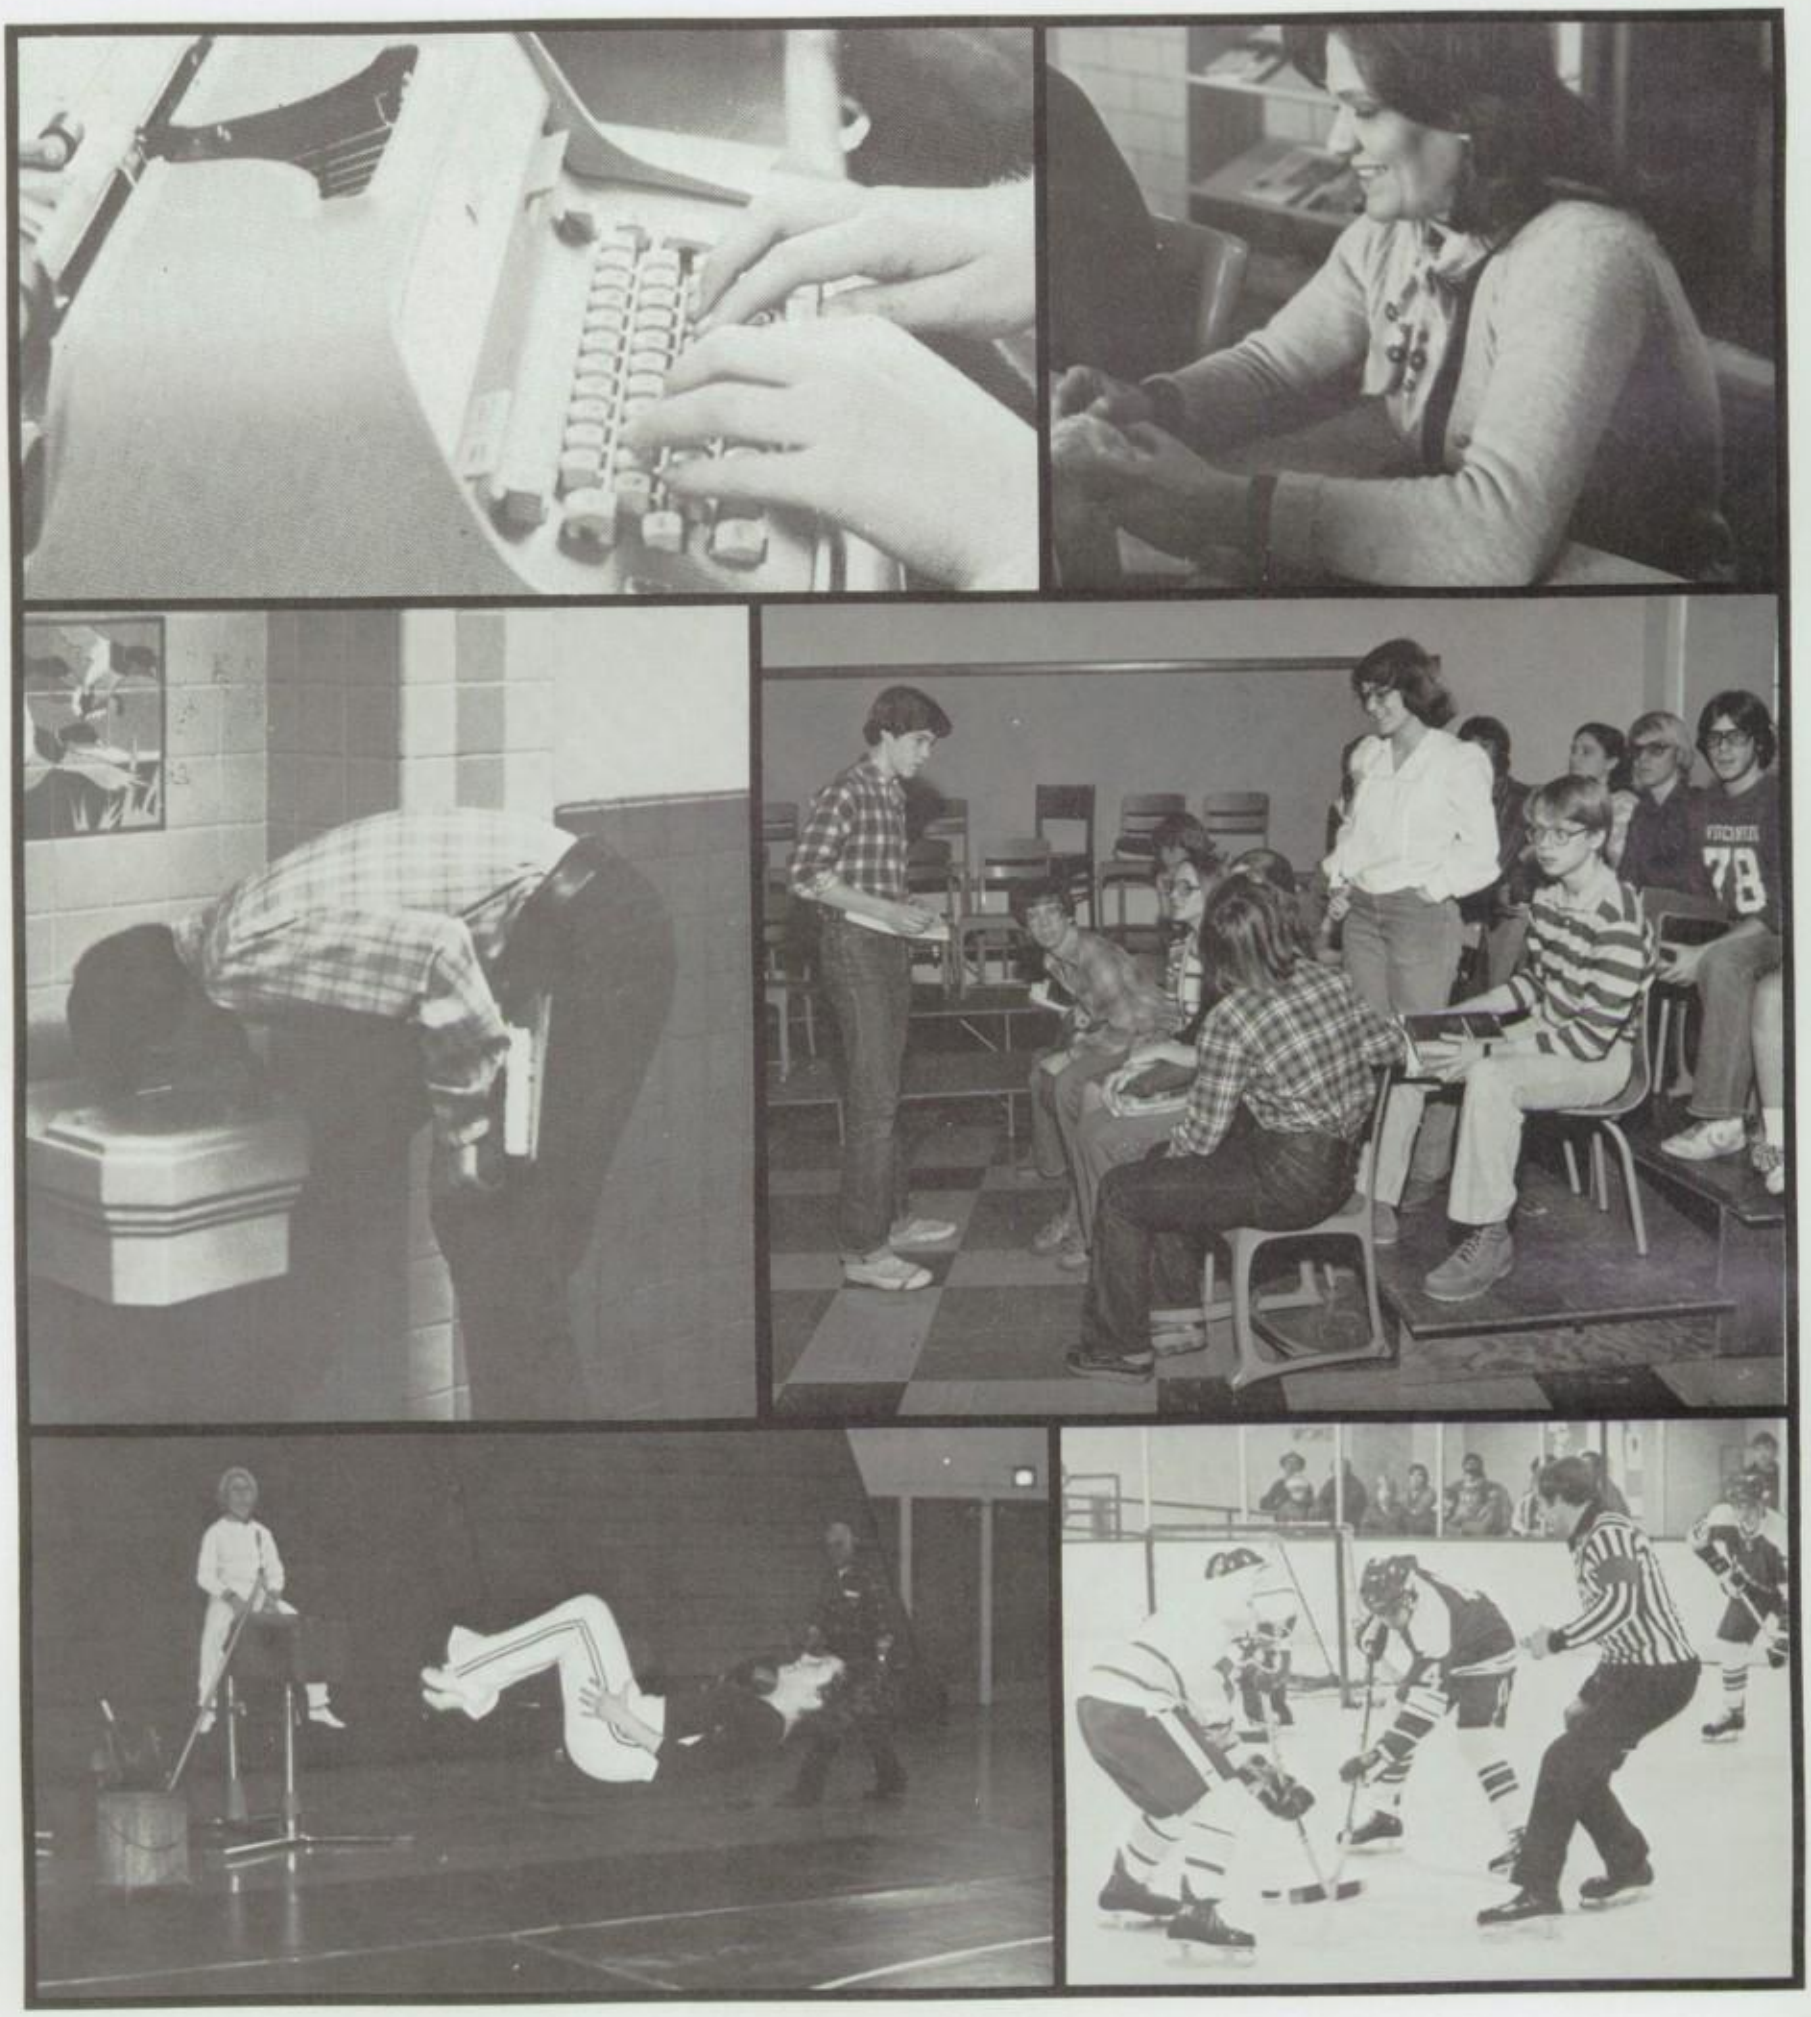
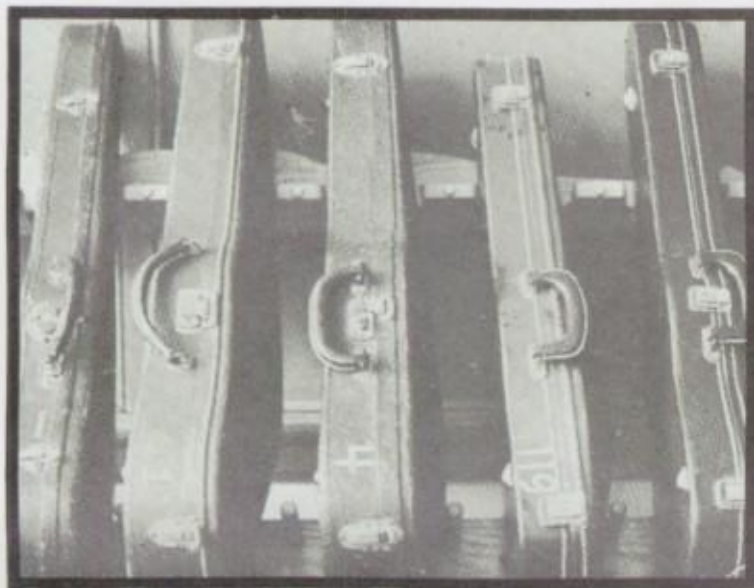
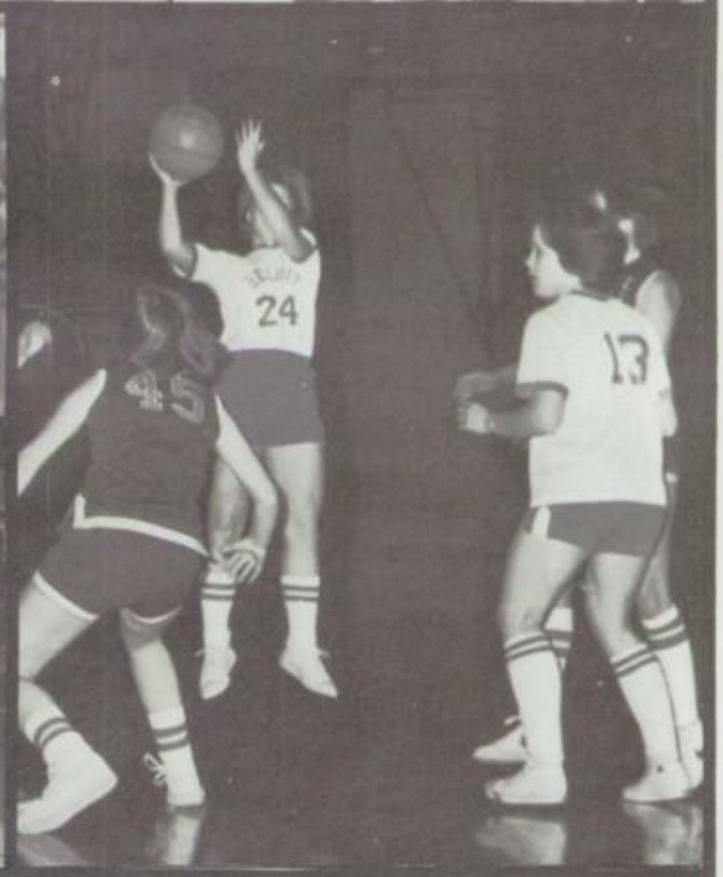
SPOTLIGHT



PERFORMANCE





This has been a fun and exciting year, and even though we had a few problems with the yearbook starting out I feel it is one of the best. We hope that we related the fact that all the world is a stage to everyone. No matter how we act, our performance will last us a lifetime in our memories of friends and teachers. Without us the play would be missing a very important scene. We hope this yearbook helps you to remember a scene in your high school years at Beloit High School. We all know that BMHS-MC will never again have actors quite like the ones that we had this year.
